

## OUTCOMES – EDUCATING WOMEN TO EXCEL

### GRADUATION RATES

Meredith College is pleased to report graduation statistics for the students who entered as *full-time, first-time freshmen* in Fall 2015. In compliance with the Student Right-to-Know (SRTK) Act of 1990, the report reflects the percentage of students who complete within six years (150% of the normal time to completion). However, it is significant to note that most Meredith graduates do not take six years to earn their baccalaureate degrees. Meredith has also chosen to report its four-year and five-year average graduation rates for full-time, first-time students.

	Fall 2015 Cohort	4-Year Averages for 2012-2015 Cohorts
Number of Entering Students	438	433
Graduating in 4 or fewer years	58.0%	57.0%
Graduating in 5 or fewer years	67.8%	64.1%
<b>Graduating in 6 or fewer years</b>	<b>68.5%</b>	<b>64.9%</b>

*Meredith College admits qualified women students without regard to race, creed, national or ethnic origin, age, sexual orientation or disability.*
