Meredith College’s commitment to an inclusive living/learning environment provides the motivation for community building that serves students and offers opportunities for intellectual, physical, social, emotional, spiritual, and professional growth. The Residents Housing Association provides the structure for the governance of the residents on campus and is instrumental in planning and monitoring campus communications as well as special programming. The Apartment Manager and Community Assistants (CAs) assess and respond to the particular interests and needs of students living in the Meredith Apartments and provide interesting, challenging, informative, and entertaining programs, and events.

We’re Here to Help

Apartment residents at Meredith College enjoy many opportunities while living on campus. Enjoyment of these opportunities depends upon personal involvement as well as personal commitment to the welfare and needs of students living together. Each resident must take

personal responsibility to abide by the rules and regulations, so the group as a whole can function effectively and benefit from the creative interaction of apartment community members.

The apartment staff provides a program of student services designed to enrich the quality of life for Meredith College students. Apartment residents have the opportunity to seek assistance from the Director of Residence Life, Apartment Manager, Apartment Community Assistants, and the Residents Housing Association.

- To be accessible to students living in the apartments for assistance and counsel.
- To assist with administrative tasks in the apartments.
- To host and encourage resident participation in campus activities.
- To facilitate campus communication and connections with various offices on campus.
- To create a positive living/learning environment in the apartments that will enhance and facilitate maximum community interaction and encourage accelerated personal growth.

Contacting Oaks Staff on Duty

The Residence Life team is available to assist you. All Community Assistants are on a scheduled rotation to cover duty for Oaks residents. Oaks residents who need assistance from an on-duty staff member should contact the Community Assistant (CA) on Duty at 919-532-4815. Oaks residents should contact the CA on Duty for assistance and minor questions and concerns.

The Apartment Manager also serves on a rotational duty schedule along with other campus Residence Directors. The Apartment Manager is a professional staff member who resides in the Oaks, but this individual may not always be in their apartment or Oaks office when you need assistance, especially after 5:00 p.m. or on weekends. If you have a serious issue or emergency situation that requires the Residence Director on Duty, please call the RD on Duty phone at 919-612-6350. If you contact the RD on Duty and the call is not answered immediately, please leave a message on the voice mail and also contact the CA on Duty. Examples of situations when the RD on Duty may be called include medical and mental health emergencies; significant flooding or electrical outages in an apartment; serious health and safety concerns or issues; etc.

If there is a medical emergency and emergency medical response is needed, call 911 and then call Campus Police at 919-760-8888 to inform Campus Police so they can direct the emergency vehicle to your location. In medical emergencies, also contact the RD on Duty at 919-612-6350 after calling 911 and Campus Police.

The Oaks staff will provide residents with additional information related to how and when to contact residence life team members who are on duty.

Green Features

The College built the apartments in an environmentally friendly manner and was awarded LEED Silver certification for the building. The Leadership in Energy and Environmental Design (LEED) Green Building Rating System™ is the nationally accepted benchmark for the design, construction and operation of high performance green buildings. The LEED certified building practices used to construct the apartments translate to quality of life features such as superior air ventilation and water purification systems, as well non-toxic paints and carpets.

Getting Involved in the Apartments

Residents Housing Association Residents are encouraged to become active and contributing members of the apartment community by helping their neighbors, joining the Residents Housing Association, attending meetings, supporting the Honor Code, and participating in programs and activities.

One of the best ways apartment residents can meet people and become active in their community is to join the Residents Housing Association. The Residents Housing Association will

assist with the governance of the campus housing as well as plan social and educational program opportunities. The Residents Housing Association is a branch of the Student Government Association Executive Board.

Home Improvement

Apartments

Each apartment resident is provided a standard full-sized bed, 5-drawer dresser, desk, chair and closet in her bedroom. In the main living area shared by all apartment mates, there is a kitchen table and chairs, living room furniture, and a television stand. Appliances are also furnished in each apartment and include the following: washer and dryer, full-sized refrigerator, stove, microwave, and dishwasher.

Decorating an apartment can be a creative undertaking. The key to apartment decorating is learning to incorporate existing furniture with flexible items like area rugs or free-standing shelves. Posters and personal items can warm up a room. Remember to keep it safe (no candles or possessions that are fire hazards—see Fire Emergency Procedures for complete fire hazard information) and keep it temporary (you'll want to leave your room and apartment as you found it).

Residents are not permitted to drill or use anchors in the walls or furniture (bed frame), paint or otherwise deface or alter ceilings, floors, windows, cabinets, woodwork, furnishings, or any other part of the Apartment or make any alterations, additions, or improvements to the space. Residents are not permitted to mount the television to the wall. All alterations, additions, and improvements in the apartment, made by either the College or Resident, shall become the property of the College and shall remain upon and become a part of the apartment at the termination or expiration of the Apartment Housing Agreement. Alterations such as painting walls or furniture may result in the Resident's loss of the \$200 Security Deposit and/or the imposition of substantial fines billed to the Resident's College account.

Darts and dart boards are not allowed in the apartments. Residents shall not hang mops, rugs, and the like from windows or railings or place them outside the apartment. Residents may use nails smaller than 1 inch in length, but excessive nail holes may result in repair costs. Residents should not use nails in any door or kitchen cabinets. Please consult Oaks staff for recommendations about products that will not leave damage such as command hooks.

Have fun and make it feel like home!

Common Spaces

The Oaks apartments offer many common space areas for the residents living in the building.

On the first floor, there is a large common room that has moveable furniture and may accommodate large gatherings.

The second floor offers a large community room, small gathering locations with tables and chairs, and a conference room. Residents may reserve the large community room or conference room by contacting the Apartment Manager.

The third floor has a quiet seating area and a study room area that may be used for accomplishing class work and other quiet activities.

Furniture should be returned to the original location after use. Common space furniture should not be removed from the common areas.

The back patio of the building is an available outdoor space for all apartment residents. The area is outfitted with Adirondack chairs, tables and chairs, two pond areas, a walkway, and a view of the wooded greenway area. Residents are not permitted to move extra tables and chairs to the patio.

Residents and their guests shall be considerate of others and the living/learning community while using these spaces.

Residents and/or their guests are prohibited from sleeping in any common spaces. Community space furniture cannot be used in individual apartment units.

Alcohol is not permitted in any common or community area including the back patio.

Apartment Mates

Apartment Mate Bill of Rights and Responsibilities

- The right to read and study free from undue interference in one's room and apartment (unreasonable noise and other distractions inhibit the exercise of this right).
- The right to sleep without undue disturbance from noise, guest(s) of an apartment mate, etc.
- The right to expect that an apartment mate will respect one's personal belongings. The right to a clean environment in which to live.
- The right to free access to one's room, apartment and facilities without pressure from an apartment mate.
- The right to personal privacy.
- The right to address grievances.
- The right to be free from fear of physical and/or emotional intimidation.

Apartment Mate Agreements

An Apartment Mate Agreement is an agreement among the residents living in an apartment regarding certain features of community living including: guest visitation, guest behaviors, alcohol possession and consumption, cleanliness, study time, buying food and supplies for the apartment, and sharing of personal items. This agreement will ask that residents be up front and

honest about any concerns that will help the discussion process of figuring out what will work best in each shared space.

The Apartment Mate Agreement is available throughout the academic year on the Residence Life MyMeredith page or from the Apartment Manager.

Apartment Procedures

Check-In Procedures

An apartment resident will receive a key that will give the resident secure access to the apartment door and bedroom door. Each resident will also be issued an Oaks mailbox key to access their mailbox on the first floor of the Oaks building. The resident must also complete both an Apartment Condition Report and will provide Emergency Contact Information via a Google form after move-in. The \$200 Security Deposit must be paid prior to obtaining keys.

Check-Out Procedures

Residents will be responsible for successfully checking out of their apartment either by Express Check Out or through an appointment. Check-out appointments must be scheduled and confirmed at least 24 hours in advance. Residents will be responsible for following the guidelines outlined in the Oaks Check-out Cleaning Guide located on the MyMeredith Residence Life page and sent out via email.

Resident Duties Upon Termination

Upon the termination of the Oaks Housing Contract, whether by the College or resident and whether for breach or otherwise, or upon the expiration of this Agreement, resident shall:

- Vacate the apartment, removing from there all resident's personal property of whatever nature; (include items both in the bedroom and common spaces);
- Properly sweep, vacuum and clean the apartment, including plumbing fixtures, refrigerators, stoves and sinks, and remove all trash, garbage and refuse;
- Pay for such repairs and other acts that are necessary to return the apartment, and any appliances or fixtures furnished in connection therewith, in the same condition as when resident took possession of the apartment; provided, however, resident shall not be responsible for ordinary wear and tear;
- Fasten and lock all doors and windows; and
- Return to the College keys to the apartment and mailbox.

If a resident fails to sweep out and clean the apartment, appliances and fixtures as herein provided, the resident shall become liable, without notice or demand, to the College for a cleaning fee, in which fee will result in forfeiture of part or all of the Security Deposit.

Upon vacating the apartment, the apartment will be inspected by the College (the "Inspection"). If resident shall leave personal property on the premises after the termination or expiration of this Agreement, then such personal property shall be deemed abandoned five business days after resident has vacated the apartment, and the College may thereafter remove such personal

property from the apartment and donate it to any kind of charitable institution or organization without liability to resident.

Student Grievance Procedures for Apartment Problems

A resident who experiences an apartment problem during the academic year should discuss the problem with a Community Assistant (CA) or the Apartment Manager. If the problem cannot be resolved through discussion with the CA or the Apartment Manager, the resident may make an appointment with the director of residence life for further consideration.

Apartment Assignments

The College reserves the right to move a resident to a different apartment at any time if a reassignment is deemed appropriate by the Apartment Manager, Director of Residence Life and/or the Dean of Students.

Insurance Claims

Because the College does not provide property insurance, residents are encouraged to secure their own renter's or personal property insurance. The College shall assume no responsibility, and the resident or other party to the Oaks Housing Contract shall, to the maximum extent permitted by law, release, indemnify, hold harmless and forever discharge the College and its agents and employees, for any and all liability, claims, demands, actions and causes of action whatsoever arising out of or related to any loss, theft, property damage or personal injury, including death, whether such losses occur in resident's room, the apartment, or elsewhere in or around the premises.

Keys

Each resident will be issued one key to the apartment that will access the main apartment door and the resident's bedroom door. Residents will also be issued a separate mailbox key. Keys are the responsibility of each resident, and they are not to be duplicated. Keys cannot be used by guests to access the apartments. Lost keys are to be reported immediately to the Apartment Manager or the Office of Residence Life with a request for a lock change. Apartment and mailbox keys are property of the College and must be returned when the Resident moves out of the apartment. A charge will be assessed for a lock replacement and new key(s) if they are not returned.

List of key replacement fees: \$90 for two-bedroom apartment, \$150 for four-bedroom apartment; \$25 for mailbox key.

Lock-outs

Residents should keep their doors locked and carry their keys at all times. When a resident is locked out of the Apartment, resident should contact the following people accordingly:

- Monday – Friday from 8:00 a.m. – 5:00 p.m. Any resident who is locked out of their apartment or room should call 919-780-0547 to reach a Residence Life staff member. They will provide assistance and unlock the resident's door to reduce the touch points of loaning and returning a key.

- Monday – Friday from 5:00 p.m. – 8:00 a.m., on weekends, and when the campus is closed: Contact Campus Police at 919-760-8888.

A \$10 fine may be charged each time a master key must be used to open a locked door and will be added to a resident's account. A resident will be required to show her Meredith CamCard before the door will be unlocked. At the time of entry, the resident will need to locate and display her key. For repeat lockouts a resident can be charged a higher fine.

Oaks Housing Contract

A resident who lives on campus in the apartments signs an Oaks Housing Contract for apartment- style housing for the upcoming year and pays a \$200 security deposit that will be returned upon successful vacancy of the apartment and satisfaction of all other college fees. The Housing Contract is for a 12- month period consisting of fall, spring, and summer terms, unless the student is graduating during the 12-month term or has withdrawn or taken a leave of absence from the College. Residents are responsible for meeting all terms of the Housing Contract, and rent will be charged to the student's Meredith account. Please refer to the Oaks Housing Contract document for further information.

Responsibility for Damage

Residents will be held responsible for damages to the apartment furniture, bedroom, living area and building and will be charged cleaning and damage fees where they have caused damages to their own room or other areas. If multiple residents are responsible, the fees will be divided. Any resident who steals or vandalizes is referred to the Honor Council.

Withdrawal or Leave of Absence from the College

A student who is withdrawing from the College should access the fillable withdrawal form and email this to the Office of the Dean of Students at deanofstudents@meredith.edu for processing. A student who is applying to take a Leave of Absence would access the fillable Leave of Absence form and email the completed form to the Office of the Registrar at registrar@meredith.edu. The Withdrawal and Leave of Absence fillable forms are also located on the [Office of Registrar website](#). Students who have questions about Withdrawal for Leave of Absence from the College may contact the Office of the Registrar, Office of the Dean of Students, or Academic Advising.

A resident should plan to move out of the Oaks apartment within 24 hours of completing and submitting the withdrawal or leave form. A resident not planning to return to Meredith College following the semester break must remove all belongings before leaving for break. A resident who, during the semester break, decides not to return to Meredith College must remove all belongings prior to the date students return to campus.

A student who withdraws or takes a Leave of Absence from the College is not held to the 12 month contract for the Oaks.

If a student is involuntarily removed from campus housing or withdrawn from the College, the student must vacate the on-campus residence within 48 hours, unless given instruction to move

immediately. Students should refer to the Involuntary Removal and Withdrawal Policy for more information.

Apartment Policies

Alcohol and Other Drugs

The College strongly discourages illegal and irresponsible use of alcoholic beverages by Meredith students. North Carolina State law prohibits the use or possession of alcoholic beverages for persons who are under twenty-one years of age.

- The possession and/or consumption of alcoholic beverages on campus or in any College building by students or their guests is prohibited except by those of legal age in individual rooms in residence halls and in The Oaks on-campus apartments.
- Any amount of alcohol possessed or consumed by persons under the age of twenty-one shall be considered “possession.”
- Providing alcohol to any person who is under the age of twenty-one is illegal.
- Memento bottles are permitted for those who are at least 21 years of age and reside in residence halls or The Oaks on-campus. Memento bottles are containers that have previously contained alcohol.
- A student may not attend class while under the influence of alcohol.
- Open containers of alcohol are not permitted in any common or community area including parlors, hallways, breezeways, the Courtyard, and outdoor areas.
- Kegs of any volume of alcohol are not allowed in the Residence Halls or The Oaks on-campus apartments.
- Residents who are 21 years of age or older may consume alcohol inside individual residence hall rooms in residence halls and individual apartments in The Oaks on-campus apartments. As the resident you are responsible for:
 - NOT providing/selling/enabling access to alcohol to underage students and guests
 - NOT permitting your ID to be used by others
 - NOT driving any vehicle (including bikes or electric scooters) while impaired
 - NOT consuming alcohol in public areas of the residence halls or The Oaks on-campus apartments (parlors, hallways, breezeways, stairwells, the back patio, the Courtyard, surrounding areas, etc.).
- The Residence life staff can require residents and guests to provide a valid photo identification in addition to a Meredith-issued identification.

Inappropriate or illegal behavior related to alcohol use will result in disciplinary action. Meredith students are expected to represent themselves and the College with dignity at all times. Students who choose to possess and consume alcohol are encouraged to do so responsibly and not in a manner that would disrupt the living community or endanger themselves or others.

Misuse of alcohol will not be tolerated. Misuse shall include but is not limited to:

- Compromising personal health and safety
- Endangering or damaging the reputation of the College

- Infringing upon the rights of others
- Disrupting the life of the community (e.g., public intoxication)
- Possessing or consuming alcohol under the age of 21
- Aiding and abetting a minor in the consumption or possession of alcohol
- Use of fake ID
- Alcohol abuse

Students shall not possess or consume intoxicants at any College-sponsored functions sponsored by Meredith students or any Meredith student organization. Students participating in any Meredith or Meredith-affiliated study abroad program are expected to follow the laws of the host country and host institution during any study abroad program.

Meredith believes it essential to the well-being of students to make every effort to maintain a campus environment free of such influences as illegal drugs. In view of this belief, the Board of Trustees has articulated the following policy related to illegal drugs. The policy simply stated is as follows: Meredith College students shall not illegally manufacture, possess, sell or deliver a controlled substance or counterfeit controlled substance or possess drug paraphernalia. Paraphernalia, as defined by the [North Carolina General Statutes](#), shall be considered possession of a drug. The abuse or misuse of any prescription drug by any student also is prohibited. Abuse and misuse of prescription drugs includes taking medication in ways other than prescribed, and/or providing or selling prescription drugs. The terms “controlled substance” and “counterfeit controlled substance” shall be defined in accordance with the definitions set out in the [North Carolina General Statutes](#).

Any student suspected of a violation of this policy is subject to a hearing by the Meredith College Honor Council. If found responsible, the student will receive sanctions – both punitive and educational. Depending upon the nature and severity of the violation, punitive sanctions may range from probation to suspension, delay of graduation, or expulsion. In addition to a punitive sanction, appropriate educational and counseling sanctions will be levied. The violator may also be subject to North Carolina law. Drivers deemed by campus police to be impaired will not be allowed to operate vehicles on campus. The threshold of impairment is very low (any alcohol or controlled substance previously consumed remaining in the body) for persons under the age of twenty-one. Campus Police will send a report to the Dean of Students in the case of any student deemed to be driving while impaired. In the case of a resident student deemed to be driving while impaired, an immediate report will be made to the residence director on duty or the apartment manager.

Medical Amnesty

Student health and safety are of primary importance to the Meredith College community. The essence of the Medical Amnesty policy is that each individual has an ethical responsibility to help those in need. The Medical Amnesty policy encourages students to seek or request immediate medical assistance for themselves or others when there is concern about extreme intoxication, alcohol poisoning and/or sexual misconduct that threatens a student’s health and safety. When a student requests medical assistance (for herself or another student) because

she or another student has consumed too much alcohol, or is at risk of being a victim of sexual misconduct, neither student will be subject to Honor Council action for the consumption. This policy does not preclude Honor Council actions regarding other violations of College policies and does not protect the intoxicated students from actions taken by local, state, or federal authorities.

When seeking immediate medical attention, contact 911 (or 9-911 from a campus phone), then call Campus Police at 919-760-8888 (or ext. 8888 from campus phone). First responders will assess the need for next steps in medical attention, treatment, or hospitalization.

Animals and Pets

Service Animals: Service Animals are highly trained to perform specific tasks that create equal access to the College for individuals with disabilities. Service Animals are allowed everywhere the student goes on campus. While not required, students with Service Animals are invited to complete the Voluntary Service Animal Identification form (<https://bit.ly/MCvolSAreg>) so the Disability Services staff can facilitate appropriate accommodations and promote a smooth transition for the student and Service Animal. Refer to the Meredith College Service Animal Policy (<https://bit.ly/MC-SA-Policy>) for more information.

Emotional Support Animals: Emotional Support Animals (ESAs) are not required to have formal training and provide passive support to individuals with disabilities. Approved ESAs are only allowed in students' assigned residence rooms and prohibited from all other College facilities. ESAs are not allowed on campus unless they have been approved through the ESA approval process. Students requesting an ESA accommodation must contact Meredith College Disability Services, submit documentation of the disability, and follow the established procedures for ESA requests.

Unapproved ESAs in on-campus housing will result in a **\$100/day fine** and referral to the Director of Residence Life, Residence Hearing Committee (RHC), and/or the Office of the Dean of Students. Even if the individual with a disability establishes necessity for an ESA and it is allowed in a student's on-campus housing room under the Fair Housing Act (FHA), the ESA is not permitted in other areas of the College (e.g. parlors, common areas in residence halls, dining facilities, libraries, academic buildings, athletic buildings and facilities, classrooms, labs, offices, etc.).

The College reserves the right to order removal of any Service Animal or ESA if (1) the animal creates an unmanageable disturbance or interference with the college community, (2) the animal poses a direct threat to the health or safety of others or causes substantial property damage, or (3) the animal's presence results in a fundamental alteration of a College program. For more information, refer to the [Meredith College Emotional Support Animal Policy and Agreement](#).

Learn more by referring to the [Meredith College ESA Policy](#).

Pets:

1. Oaks residents are permitted to have pets that permanently live in tanks/aquariums that do not exceed 10 gallons. Dimensions cannot exceed 20" x 11" x 12". For questions about emotional support animals and service animals, refer to this [link](#).
2. One tank/aquarium is permitted per bedroom. Tanks are required to be housed in an individual bedroom.
3. Residents will be responsible for any charges incurred from pet damages, cleaning or replacement of furniture/carpet.
4. Visiting pets must remain outside with their owners.

Apartment Health and Safety Inspections

The apartment staff will conduct inspections once a semester in each apartment and at other times as necessary. The inspection will include a check for health and safety hazards such as:

1. Electrical, heating, halogen lamps, and lava lamps.
2. Combustibles.
3. Housekeeping, health hazards, excessive and perishable trash.
4. Extension cords, non-surge protector power strips without an on/off switch, and electrical adapters with multiple plugs.
5. Surge protector extension cords plugged in to one another.
6. Candles, tart warmers, electric candle warmers and incense (oil warmers, any product that melts wax or warms oil).
7. Items hanging from or secured to the ceiling, sprinklers, or attached to the wall.
8. Electric holiday lights. (Battery operated lights are permitted)
9. College-owned common area furniture.

Each violation of these policies will result in a \$25 fine, Residents Hearings Committee action, or the total cost of reimbursement of the damaged item. A second violation of the same type will result in a \$25 fine. Possession of candles will result in a \$50 fine per candle.

Also see Security, Safety and Emergency Procedures for other fire safety regulations. The apartment staff may confiscate items found in violation of College policies. Inspectors entering a student's room will leave a notification of the inspection. Violations are to be corrected within two working days. Fines issued for violations will be added to a student's account. Follow-up inspections will be conducted to determine if corrective action has been taken. Failure to correct safety violations will result in disciplinary action, and item(s) will be confiscated.

Unauthorized access and/or use of empty bedrooms within an apartment is prohibited and will result in a \$100.00 fine for each room accessed or used.

College for at least four (4) semesters is eligible to become a New Resident for the fall or spring semester.

Babysitting is not permitted on campus regardless of the age of the child. The apartments are not an appropriate community for young children, especially infants or children in the MAP program and the Ellen Brewer House.

Bicycle Policy

Personal bicycles are to be registered with the campus police, and registration is free. Bicycles are to be stored in the bike racks outside of the apartments unless they can be disassembled and stored in the resident's apartment in such a way as not to create a fire hazard or infringe on an apartment mates' space. The penalty for violation of this policy is a \$15 fine. Bicycles that appear to be abandoned may be subject to removal by Campus Police.

Fire Safety Policies

For safety purposes:

- HVAC closets cannot be used to store items.
- Tampering with fire safety equipment including smoke detectors and sprinklers is prohibited.

- Residents are not permitted to tamper with fire extinguishers or to falsely pull a fire alarm.

Violation of the above fire safety policies can result in a \$50.00 fine. Individual candles are each a violation and the resident will be fined \$50.00 for each candle. These life and safety violations

may not be appealed through the Honor System. Students who wish to appeal fire and life violations may contact the director of residence life.

Postal Delivery and Services

The Willie J. King Postal Center is located on the first floor of Cate Center. The post office handles on campus and off-campus mail. Although the mail room is not an official U.S. Post Office, stamps are available for purchase, and packages that do not require special handling will be accepted. These services are available between the hours of 8 a.m. and 4:30 p.m., Monday through Friday, while classes are in session. Oaks residents receive letters in their Oaks mailboxes. Outgoing mail that requires special handling may be taken to the Method Road branch of the U.S. Post Office, which is located within walking distance of the campus. Students will be emailed if they receive a package. The student then brings her CamCard to the campus post office to pick up the item(s).

The campus post office is open between 8 a.m. – 5 p.m. Monday through Friday. Contact info: Email postalservices@meredith.edu or call 919-760-8464. Each apartment is assigned a mailbox that corresponds to the apartment assignment. These mailboxes will be located in the apartment mailroom that is adjacent to the first floor foyer area. The number will change if a resident moves to an alternative location on campus.

Apartment mates gain access to the joint mailbox with the mailbox key issued at check-in. Mail will be delivered to the apartment mailboxes Monday through Saturday, except during College holidays.

If an apartment resident has outgoing mail, it can be placed in the outgoing mail slot in the apartments, and it will be picked up when the mail is delivered to the apartments each day. In addition, there is a final outgoing mail pickup at 5:00 p.m., Monday through Friday, in the Cate Center.

The following example shows the proper format for Resident's mailing address: First Name and Last Name, Meredith College Apartment 1234, 3800 Hillsborough Street Raleigh, NC 27607-5298

Students are responsible for mailbox keys, and a lost mailbox key will result in a \$25 replacement fee.
