* It is recommended that the name on your diploma matches your official, legal name. However, you may request a chosen name (first, middle, and/or last name) to be printed in lieu of your legal name. A chosen name refers to the name any individual uses to represent themselves, other than their legal name.

Important Items to Consider:

- Third parties, such as employers, may not be able to verify your degree using the preferred/chosen name appearing on your diploma because of name mismatch.
- If you decide to change the name on your diploma after your conferral date, you will be required to request and pay for a replacement diploma.

Meet with your advisor to verify the remaining degree requirements needed for graduation. Undergraduate students must earn 62 credits at Meredith College and a minimum 3.5 GPA to be eligible for graduation with distinction.
