

Your 2024-25 Free Application for Federal Student Aid (FAFSA) was selected by the federal processor for review in a process called verification. The law says that before providing federal student aid, we must ask you to confirm the information you and your parents reported on your FAFSA. To verify the information you provided, please complete the questions below, include parent(s) and student signatures, and mail, bring, or fax the form to the Financial Assistance Office within 2 weeks of your receipt of this letter. Failure to respond will result in our inability to disburse Federal Aid. If corrections need to be made to your FAFSA, the Financial Assistance Office will submit the changes on your behalf and will notify you of any changes by mail or email.

C. Verifying Taxable Income

If the student or the parent/stepparent filed or will file a 2022 IRS income tax return, verification of that income can be provided when the student and the parent/stepparent offer consent and approval for access, disclosure, and use of Federal Tax Information (FTI) on their FAFSA. If the FTI process is used, in most cases, no further documentation is needed to verify 2022 income information. If 2022 income tax return information is unavailable or FTI could not be used, the student and the parent/stepparent can provide a signed copy of their 2022 income tax return and all applicable schedules, or a 2022 IRS Tax Return Transcript. (Visit [irs.gov](https://www.irs.gov) for directions on how to request a tax return transcript).
